Freezing Britain

The winter of 2010 led to a four-fold rise in the number of reported burst pipes due to the coldest winter in Britain for 31 years...

Easy Trace Kits

EASY TRACE KITS are the latest addition to the extensive range of Trace Heating tapes and accessories available from the Cable Services Group. These kits make protecting your pipes from freezing this winter both easy and affordable.

EASY TRACE offers a connect and go system.

Available in pre-terminated lengths of 3M, 6M, 10M and 12M (other metre lengths up to 9M available on request), and supplied complete with:

- Pre-terminated thermostat and end seal
- Fixing tape
- Warning labels

These 240V, 10W / M kits are an easily installed and cost effective way of providing frost protection for pipes in all domestic and small commercial applications. (Please note that your pipe work still requires insulation).

Contact your Cable Services Area Sales Manager or local Cable Services / Smith Electrical branch for further information.

Wintergard Freeze Protection of Pipes

Raychem WinterGard Plus heat trace cable is a professional-grade, 6-watt/foot, self-regulating electric heating cable that is designed for pipe freeze protection in light commercial and residential locations. The heat trace cable is constructed of nickel-copper bus wires, a self-regulating conductive core, an insulating jacket and a tinned-copper braid.

The benefits of using Raychem WinterGard Plus self-regulating heating cable are many:

- Cable can be overlapped without burning itself out
- Cable can be cut to length
- Saves energy
- Designed for use in dry areas only
- Provides pipe freeze protection for pipes up to 6" in diameter
- UL Listed and CSA Certified for use in non hazardous areas

For a FREE trace heating design proposal, please download and complete the data input sheet at: <http://www.cableservices.co.uk/electric-trace-heating/Trace-Heating-Enquiry.pdf> or contact your Cable Services Area Sales Manager or local Cable Services / Smith Electrical branch for further information.
